

REGISTERING A DEATH

You must register a death within 5 days unless the Coroner is investigating the circumstances of the death.

Who can register the death?

To register a death you should preferably be either a relative or a person present at the death. Please contact us for information on who else can register the death.

Where can I register a death?

If the death took place in Leeds you can register at our main office in the City Centre One Stop at 2 Great George Street or at the following One Stop Centres:

Aireborough, Armley, Compton Centre, Dewsbury Road, Garforth, Morley, Otley, Pudsey, Reginald Centre, Rothwell, St George's and Wetherby.

The registrar will ask you for:

- ◆ the date and place of death
- ◆ the full name (and maiden name) of the person who has died, their date and place of birth, occupation and usual address.
- ◆ the full name, occupation and date of birth of the person's spouse or civil partner
- ◆ whether the person who has died received a pension from public funds

It would also be helpful to bring identity documents to confirm the spelling of the deceased's name and the person registering the death.
